MEMORANDUM FOR: ASSISTANT DIRECTOR, OFFICE OF REPORTS
AND ESTIMATES

SUBJECT: OPC Requirements of ORE Graphics Presentation

1. Our operations Room is nearing completion and in view of the fine cooperation your office has shown in handling OPC visual presentation needs to date, we would enlist your assistance to a substantial degree at present and a continuing but lesser degree in the future.
2. We have a small staff which will maintain the room and the current projects, but will call on your specialists for advice and assistance in developing Operational Maps and preparing special presentations, such as the propaganda display which you handled for us recently.
3. We would like the loan of one man for the next two weeks, approximately, to assist with mounting the basic maps needed for permanent installation, posting general information and handling special techniques such as air brush and lettering.
4. I realize this is a big order at this time when you are preparing a similar project, but would appreciate all the assistance you can give us.
